## Vermont Daily Transcript.

ST. ALBANS, VT.: WEDNESDAY, JULY 22, 1868.

Items from Washington.

A telegram was received in Washington on Wednesday announcing that The sprightly fittle city of Utien is just below of live. I didn't wont the of A telegram was received in Washing ton on Wednesday announcing that Georgia had ratified the 14th amendament, a concurrent resolution has just ment, a concurrent resolution has just date for the Presidency of these great date for the Presidency of these great United States. Such an inverse was

guished persons.

Mr. Burlingame and the Chinese embassy will soon visit Secretary Seward at Auburn, and then go to Ningara and descend the St. Lawrence to Montreal; from whence they will go to Boston, respectively. The state of the state

Secretary Seward has issued, in accides pretty much everybody in this cordance with the law, a formal antegion—"the Governor's" resides in a nouncement that if the resolutions of plain, unpretending arm cottage, about Appars, the Legislatures of New Jersey and Ohio are to be deemed as remaining of full force and effect, the fourteenth and exactly in the architecture, something in the outward appearance of the house, though not exactly in the architecture, something in the control of the architecture, something in the control of the architecture archi mendments has, by the votes of the thing in the pastoral air that surrounds it, something in the approach to it, and in the view from the verandah that States, become valid as part of the Con- stretches along its front-something stitution of the United States.

The President, learning that an adverse report would be made on the nom-Mr. Seymour grew weary of law and ination of Col. Cooper, Commissioner of sought privacy and retirement, a new al

eracy in Canada and the Canadians who croaching upon the usefulness of the sympathized with the rebels during the war approve of the Democratic platform and advocate the election of the tastes and character of its occupants. "Seymour and Blair" ticket. No doubt they wish us as well now as they did then. We cannot understand how the oppressed from Ireland who sought report the same ticket. Their best inter-est would naturally direct their associ-tire city of Utlea and all its surroundation with the party of freedom and ings, stretching far away up or down the progress-the Republican party.

TOOMBS' ATLANTA SPEECH .- Robert Chenango valley, the opening to which Toombs, in his Atlanta speech at the is directly opposite. Seymour and Blair ratification meeting, jous aspirant for Presidential honors said: "I will tell you another fact, was engaged in superintending his lawhich is enough for this time, that as borers in securing the hay crop. I apo the late war was produced by the defeat- logized for the inopportuneness of my ed democratic party in 1860, we shall him to be a country gentleman of lef-

Folks, for August, has been received, and presents its usual table of good things for "our young folks" to sit down at, and feed the mind. The first article, "and those don't reach me till evening."

The Creak " illustrated is an ex-"Up the Creek," illustrated, is an ex- I told him all the news I could remem-"Up the Creek," illustrated, is an excellent article for summer reading.—
"Midsummer Buterflies" is well intended to awaken a love of natural history in the young. The present number is well filled, and will keep up an interest among juveniles for an excellent youth's monthly. Tickner & Fields, publishers, Boston. Price 20 cents a number, or \$2.50 per year.

I told him all the news I could remember a could remember a characteristic on the conthusiasm in such hot weather as this. He thought they had better postpone politics until it got cooler. Talking of the heart, I suggested that the heated term commenced with the meeting of the Convention. "Yes," he said, "and but for that I wouldn't have been in this until to be confined to small loss, but prices are and a shade higher. The secon have been at 23 to 23 50 for prices are and 20 to 21 for coiler are in as every will sales at 21 to 22 for good mess, 22 to 24 for extra mose, and 25 to 27 for sample extra clear. from whence they will go to Boston, returning to New York to take the mail steamer of August 19th for Liverpool.

The Journal's correspondent says that the Southern Senators and Representatives are opposed to any adjournment, but urge a recess of six weeks. They apprehend that the rebels may organize to corry the fall election by compelling. and so imbacd with this bonocable and to carry the fall election by compelling the colored men to vote their ticket, and they insist upon having Congress in session in the last week in September or the first week in October, to protect their interests if necessary.

The Tribune's despatch of Tuesday says the Cabinet to-day, was attended by all the Secretaries, and was the principal prophet. They already have nine by all the Secretaries, and was the first full one held in more than gives them a great any angle of the last weeken a great any angle of the last weeken of the best of it, or i'm no prophet. They already have nine points of the law—the possession, which first full one held in more than gives them a great any angle of the law than the possession.

says the Cabinet to-day, was attended by all the Secretaries, and was the first full one held in more than twelve months. Mr. Johnson, it will be remembered, maintained no official intercourse with Secretary Stanton for many months before his resignation, and when that gentleman retired from the War Department, the office of Antorney-General was vacant. Mr. Evarts took possession of his Department yes took possession of his Department yes terday, and sat at the Council Board to-day for the first time. Among the subject discussed, was the Freedmen's Bureau bill, and the advisability of vetoing it. No decision was arrived at, and the subject is still under advisability of vetoing it. No decision was arrived at, and the subject is still under advisability of vetoing it. No decision was arrived at, and the subject is still under advisability of vetoing it. No decision was arrived at, and the subject is still under advisability of vetoing it. No decision was arrived at, and the subject is still under advisability of vetoing it.
